

Take a Clergy Mission Trip

There is nothing more impactful and important than seeing the great need in the developing world firsthand. Several times throughout the course of the year, we offer the opportunity for clergy to join us on a mission trip to one of the countries we serve. Our hope is that our attendees return from these life-changing journeys inspired to share what they've witnessed and ready to issue a call to action to their congregations. We invite you to prayerfully consider if you are feeling called to see and serve on a mission trip with us.

“In 2016, I had the opportunity to travel to Haiti with Food For The Poor. While there, I experienced firsthand the life-changing work among, and in partnership with, the Haitian people. I left the country with a greater understanding of the needs of my neighbors to the south, encouraged by the opportunity to help, and inspired to continue to serve.”
