

Pray With Us

We believe in the power of prayer. We humbly ask for prayers for our work and for those we serve. May we be Christ's light in dark corners of the Kingdom. Please know that we pray daily for The Church and for our partners. If ever there is anything specific we can uplift in prayer for you and your church family, please let us know.

.....

“Everything we do has a strong spiritual component. Food For The Poor staff and Nativity parishioners see our work together as serving God and others with love. We pray together and for each other at every opportunity.”

-Jim McDaniel, Nativity Catholic Church, Burke, VA
