

Host a Virtual Speaker

Perhaps worship looks a bit different for your church during these uncertain days or perhaps you are simply embracing this digital age! If an in-person visit from one of our speakers is not feasible, we hope you will consider utilizing one of our digital clergy speaker videos. This three-minute video can be incorporated into virtual worship or played during your onsite service. Expanding your congregation's reach to a global level is more important than ever and this is a safe, easy way to have an impact.
